

DOMETIC RMS 8400 Right hinged Absorption refrigerator 12 V / 230 V

Product description:

The 8 Series range of 3-way fridges are an adaptable and user-friendly collection featuring high quality models with many space saving features. These stylish design pieces are available in two door or large door models, with freezer compartments, innovative design elements and a pleasant ice-blue, energy-saving LED interior light. The interiors can be altered to fit your needs.

This wheel arch model of fridge is designed to take advantage of what would otherwise be wasted space. Flexible and easy to use, it has a patented removable freezer and is also perfectly silent!

Replace wasted space with cool storage

The Dometic RMS 8400 is designed to fit around the wheel arch of your vehicle. Meaning what would normally be wasted space, can be turned into a fridge freezer instead! With its patented, easy to remove 8 l freezer, flexible shelf system and silent operation purchasing the RMS 8400 offers users a fantastic cooling performance. When it's so important to use every inch of storage space, this is an opportunity that's too good to miss!
