

DOMETIC BORDBAR TB 08 Portable thermoelectric car cooler

Product price:

81,15 € tax excluded

Product description:

Providing the utmost freedom for life's big adventures, Bordbar is a range of portable coolers giving you complete mobile cooling while driving in your car, van or any other vehicle that can provide 12 V DC or 230 V AC. With a cooling performance of up to 25 °C below the outside temperature, you can enjoy cool food and drink while taking in the sunset wherever you choose to go.

A compact portable unit for the car, this cooler and heater is a cost-efficient luxury for everyone to enjoy.

Easy to secure

Simply fasten with safety belt

Take the cool with you

Enjoy your trips with the Dometic BordBar TB 08. This elegant car cooler harmoniously blends with the interior of most vehicles, easily fastened by the seat belt into the front passenger seat or centre, rear seat. With the ability to cool 20 °C below ambient temperature, and heat to +65 °C above the ambient temperature – your snacks and drinks are kept cool, your chips and hamburgers hot. The thermoelectric cooler is easy to use and has a spacious 8 l storage volume which fits 0.33 l cans and 0.5 l bottles. The Dometic BordBar TB 08 works off a 12 V DC.
