

DOMETIC DS 400 Refrigerator 230 V

Product description:

NO LONGER IN PRODUCTION

When there is no room for an ordinary refrigerator it is a Silencio miniCool which provides silent cooling comfort. Chilled drinks and food right at your finger tips all the time. All Silencio models are food suitable – which is unique in this class.

The cooling performance of this 32 l mini fridge is strong enough to store fresh food. Reliable, efficient and with a fully automatic defrost function.

Interior light

LED interior light and temperature adjustment knob

Cool flexibility

The Dometic miniCool DS 400 has enough cooling power to store fresh food: giving users welcome flexibility of use. Its Fuzzy Logic technology and Cooling Unit Control (CUC) system ensure an efficient and reliable cooling performance that won't let you down. Conveniently store food or drink in a well-organised interior using door racks, adjustable shelves and a helpful, sensor controlled LED light!
