### Open up

Easy to open door

### Simply slide

Pull out drawers with transparent front panel

### Check and confirm

Be reassured by the fridge's digital temperature display

### Powerful, energy-efficient compressor refrigerators

When needing to store medicine safely at high ambient temperatures, we recommend a refrigerator with a powerful compressor system. Our HC series devices have an integrated illuminated temperature display. High-quality roll-out metal drawers which can be extended to 3/4 of their depth offer well-organised storage. Quality features: Integrated thermometer with min/max memory, illuminated temperature display, high-quality, roll-out metal drawers with 3/4 extension and plastic front, LED interior lighting, door lock, can be built in (variable hinge not possible). HC 302 / HC 502 optionally available as DIN 58345 compliant model versions (HC 302D / HC 502D).

### **Safe and secure**

With its reliably constant temperature courtesy of an integrated fan, the Dometic HC 302FS is the ideal solution for hospitals and health centres wishing to store heat sensitive medicines. Contents are cooled to between +2 °C and +8 °C. An audible warning will be triggered if the door is left open for more than 20 s. The HC 302FS has a door lock for secure storage and drawers with flexible compartments for organised arrangement of up to 29 l of contents. The draws pull-out for added convenience.

Not binding images and technical data.

### **Product features:**

Frequency (Hz): 50

Voltage (V): 230
