

ZIPWAKE CC-S CABLE COVER KIT

Product description:

ZIPWAKE CC-S CABLE COVER KIT

The thru-hull cable fitting of Series S interceptors can either be concealed behind the interceptor or positioned above the waterline.

If the above-waterline mount is preferred, three parts are available to protect the cable: thru-hull cover, cable cover and a cable cover extension.

These parts are available as a cable cover kit to provide flexible routing of the cable on the transom.

Product features:

Power cable length (m): 1.5

Product type: Tubes and Conduits

Weight (Kg): 0.18
