Product description:

HONDA HRG 466C1 PK EH PUSH-TYPE LAWNMOWER 2,7KW

HONDA HRG 466C1 PK push-type lawnmower that includes a large 50-liter grass catcher bag and 46 cm lightweight steel cutting deck , makes it even easier to maintain your lawn.

The HONDA HRG 466C1 PK mower thanks to the thrust of the new GCV gasoline engines, not only makes mowing your lawnmower easier, it's also easier to handle.

These mowers have been redesigned with 30% fewer parts, making it: lightweight and durable, pleasant to use. With the HONDA HRG 466C1 PK lawnmowers you will have clean lines and a high quality finish. On the IZY series you can choose between push, single speed and Variable Smart Drive type; on this model you can be sure to get great performance and excellent handling.

IZY allows precise control of lowering or raising the deck to set the required cutting height on the HONDA HRG 466C1 PK mower. The super-strong pressed powder-coated steel deck is available in a variety of sizes; choose according to the size of your lawn.
