## Product description:

### DOMETIC COOLFREEZE CFX3-100 PORTABLE REFRIGERATOR

DOMETIC COOLFREEZE CFX3-100 is a portable refrigerator offering exceptional refrigeration that can be conveniently set and monitored via app or HD display.

DOMETIC COOLFREEZE CFX3-100 can hold an incredible amount of food and drink thanks to its comfortable and spacious interior design. Thanks to the removable basket you can decide how to organise your space. The evaporator on all the internal walls allows an even distribution of cold. The unit is equipped with automatic battery control at 3 levels to avoid complete discharge and to allow the connection to a second battery.

The DOMETIC CFX3-100 app gives you full control and connectivity thanks to the completely free app that allows you to set the temperature and view detailed energy consumption history of your portable refrigerator remotely, from the front seat of your vehicle or even from your bed. The app can be found and downloaded for free from the App Store or Google Play Store.

Thanks to the user-friendly interface, it is even easier to monitor the refrigeration of your DOMETIC COOLFREEZE CFX3-100. If you forget to open the lid of your DOMETIC CFX3-100, the app will send you a notification reminding you to close it. The app tracks temperature and absorption in detail, so you will always know how to adjust before you set off.

The DOMETIC CFX3-100 range is equipped with an easy-to-read high definition colour display to monitor the operating status of the refrigerator. The display is equipped with various protection measures to guarantee maximum resistance and reliability, including a scratch-resistant and dustproof cover that complies with the IP65 standard.

The USB port on the display panel allows you to connect and charge portable devices in a more functional way. The intuitive user interface displays voltage, Bluetooth/Wi-Fi connection status and temperature with colourful graphics.

DOMETIC COOLFREEZE CFX3-100 is equipped with sturdy protection frames on the corners, the DOMETIC CFX3-100 portable refrigerator is the ideal solution for the most demanding trips. Easy to transport thanks to the sturdy spring-loaded aluminium handles. Set the temperature of the refrigerator on the TFT display and store your favourite food.
