

# FINI PULSAR K30 T7,5 SD SILENCED COMPRESSOR 7.5HP

Product price:

**2.655,45 € tax excluded**

## Product description:

FINI PULSAR K30 T7,5 SD PUMPING GROUP 7.5HP

FINI PULSAR K30 T7,5 SD is a super silenced compressor that is able to deliver a maximum pressure of 11 bar by means of a K30 pump with a power of 5.5KW.

FINI PULSAR K30 T7,5 SD have been designed to solve the problem of noise in working environments, they stand out on the market for the lowest noise level in their category. These compressors have the advantage of being positioned close to the application position thanks to their extremely compact dimensions and the very low noise level.

The duration and efficiency of the pumping unit is largely determined by the number of revolutions per minute of the head. The lower the number of revolutions, the longer the life of the compressor will be. The multiplication of the number of revolutions is obtained by means of pulleys of different diameters applied to the motor and the head respectively.

FINI PULSAR is characterized by the electronic card of self-diagnosis on the front, which allows the user to verify the integrity and the correct functioning of the machine.

The reduction of the noise level is obtained by enclosing the FINI PULSAR machine in a **mobile soundproofed** with special soundproofing panels, taking care of the ventilation and by using special suction silencers.

Thanks to its reinforced structure FINI PULSAR K30 T7,5 SD allows an easy transportability by means of a forklift or a transpallet.

## TECHNICAL FEATURES FINI PULSAR K30 T7,5 SD

Voltage: 400 V

Frequency: 50 Hz

Pump: K30  
RPM: 1200 RPM  
Power: 5.5 KW - 7.5 HP  
Air output: 872 Lt/min - 30. 8 cfm  
Pressure: 11 bar - 160 psi  
BSP: 2'  
Acoustic pressure: 65 dB(A)  
Length: 870 mm  
Width: 640 mm  
Height: 1235 mm  
Weight: 197 Kg

If you are looking for another product then you can see on our catalog other compressors FINI or other specialized brands.

**Product features:**

Frequency (Hz): 50  
Voltage (V): 400  
Engine rpm (rpm): 1200  
Power (KW): 5.5  
Pressure (bars): 11  
Air output (L/min): 872  
Mechanical power (hp): 7.5  
Acoustic pressure: 65 dB(A)  
Length (mm): 870  
Width (mm): 640  
Height (mm): 1235  
Dry weight (Kg): 197
