## **Product description:**

GENERAC DF SMART ALL IN ONE DUST FIGHTER DUST COLLECTION SYSTEM

GENERAC Dust Fighter SMART ALL IN ONE is a dust suppression system with a horizontal coverage of 13 meters, ideal for residential or industrial areas where water connection is not available or easily accessible.

GENERAC DF SMART ALL IN ONE is an advanced version of the classic Generac Mobile Smart model, designed for all customers who need a complete solution for dust control and sanitation. The DF SMART ALL IN ONE can be easily transported with a truck or coupled to a generating set.

GENERAC DF SMART ALL IN ON is equipped with a capacious tank that makes this Dust Fighter employable in any area you want to assign it in a simple and fast way.

GENERAC DF SMART ALL IN ON comes complete with:

- Stainless steel crown with nozzles
- Plastic water tank
- Galvanized protection bars
- Water filter
- Electric pump
- Electric motor (fan)
- Manual rotation
- Manual tilt
- Forklift pockets on all sides
- Emergency stop button
