

MASE MARINER 2400 KS SINGLE PHASE SILENCED MARINE GENERATOR 26 KW

Product price:

32.300,00 € tax excluded

Product description:

MASE MARINER 2400 KS SILENCED SINGLE-PHASE MARINE GENERATOR 26 KW

The MASE MARINER 2400 KS Marine Generator Silenced single-phase comes equipped with a KUBOTA V3300 diesel engine capable of delivering a maximum output of 26 KW at 1500 rpm.

Constructed with a synchronous alternator that is self-excited and air-cooled, the MASE MARINER 2400 KS Marine Generator is notably compact and powerful, making it suitable even for small boats.

It provides easy access for maintenance to the power and lubrication systems, seawater pump, air filter, oil filter, and fuel. Furthermore, it features auto-stop safety systems for low oil pressure, high engine temperature, or exhaust gas.

The MASE MARINER 2400 KS's Marine Generator alternator is synchronous, with 4 poles, self-regulated, self-excited, and brushless. In combination with the powerful KUBOTA engine, it can deliver a maximum power of 26 KW. The alternator includes an AVR voltage regulator, ensuring the stability of the output voltage, providing household-like current.

This marine generator MASE MARINER 2400 KS is outfitted with a soundproof cabin that significantly reduces noise, emitting only 54 dB(A) at a distance of 7 meters. The cabin, made of painted aluminum, is extremely lightweight and highly resistant to external elements.

TECHNICAL FEATURES OF MASE MARINER 2400 KS MARINE GENERATOR

Phase Type: Single Phase

Maximum Power: 26 KW

Fuel Type: Diesel

Voltage: 115 - 230 V
Frequency: 50 Hz
Engine: KUBOTA V3300, 4 Stroke
Mechanical Power: 38.8 Hp
Number of Cylinders: 4
Engine Displacement: 3318 cc
Engine RPM: 1500 rpm
Fuel Consumption: 11 l/h
Sound Pressure Level: 54 dB(A) @ 7 m
Alternator: Synchronous, Brushless
Voltage Regulator: AVR
Dimensions (LxWxH): 1310 mm x 640 mm x 830 mm
Weight: 630 Kg

For those in search of another marine generator, the complete catalog of marine generators is available for browsing.

Proin nec euismod ligula. Vestibulum ultricies, est sed gravida laoreet, lectus nisi malesuada odio, eget rhoncus purus arcu at augue. Nulla facilisi. Integer id libero ut nibh sollicitudin lacinia quis id arcu. Nunc ullamcorper faucibus sem, ut tempus metus aliquet ut. Suspendisse tristique porttitor libero, in rutrum lorem egestas a. Ut arcu ex, suscipit non orci in, blandit venenatis massa. Morbi sollicitudin sollicitudin laoreet. Nunc bibendum augue vel nulla tempus, ac auctor felis cursus. Quisque consequat nulla justo, sit amet consectetur enim sodales

Product features:

Phase: Single phase
Maximum power single phase (KW): 26
Fuel: Diesel
Frequency (Hz): 50
Voltage (V): 115 / 230
Engine: Kubota V2403, 4 Tempi
Engine rpm (rpm): 1500
Speed governor: Mechanical
Engine capacity (cm³): 3318
Number cylinders: 4
Cooling: Air
Alternator: Synchronous, self-excited
Poles: 4
Lubrication: Forced
Consumption (L/h): 7.6 at 100% of the load
Acoustic pressure: 54 dB(A) at 7 m

Length (mm):

Width (mm): 640

Height (mm): 830

Dry weight (Kg): 630

Inverter: No

AVR: Yes

Compound: No

Silenced: Yes

Super silenced: Yes

Product type: Generator

Voltage regulator: AVR

Engine manufacturer: Kubota
