Product description:

HONDA Lawnmower HRX476XBSE

The HONDA Lawnmower HRX476XBSE cordless lawn mower from Honda Lawnmower is an excellent choice for those looking for a powerful, versatile and quiet mower. It is equipped with a 1.8 kW brushless electric motor, which provides constant and reliable power.

The HONDO HRX476XBSE mower has a cutting width of 47 cm, making it ideal for medium to large gardens. The cutting deck is made of polystrong, a strong and durable material. The HONDA HRX476XBSE Lawnmower mower is also equipped with a 7-position cutting system, which allows you to adjust the cutting height from 25 to 79 mm.

The HONDA HRX476XBSE Lawnmower is compatible with the entire Honda Lawnmower battery-powered product range, which means you can use the same battery to other garden tools.

The HONDA Lawnmower HRX476XBSE lawn mower is an excellent choice for those looking for a powerful, versatile and easy-to-use mower. It is easy to manoeuvre and control, thanks to its light weight (36.5 kg) and ergonomic handle. The Honda HRX476XBSE mower is also equipped with a 75-litre grass collection system, allowing you to work for longer without having to empty the bag.

HONDA Lawnmower **HRX476XBSE specifications:**

Sound pressure level (dB(A))92 standard- 88 silent mode

Rated engine power: (kW/ rpm)1.8/2,600 (standard) / 2,200 (silent mode)

Dry weight: 36.5kg

Length: 1580mm

Depth: 530mm
Height: 995mm
Feed speed: 0-1.3 Metres per second
Cutting deck material Polystrong
Versamow™ Variable Mulching
Grass bag capacity: 75Litres

Sound pressure level of 92 dB(A) in standard mode and 88 dB(A) in quiet mode. This makes the HRX 476XB SE mower one of the quietest on the market.

Rated engine power of 1.8 kW. This ensures fast and efficient mowing.

Select Drive transmission type. This system allows the mower's forward speed to be selected according to ground conditions and operator preference.

47 cm plate size. This width allows a large area to be covered quickly.

Cutting height from 25 to 79 mm. This adjustment allows you to adapt the mowing to your needs.

Dry weight of 36.5 kg. This weight makes it easy to manoeuvre and control.

Length of 1580 mm, depth of 530 mm and height of 995 mm. These dimensions make it compact and easy to store.

Feed speed of 0-1.3 metres per second. This speed enables even large areas to be shaved quickly.

Polystrong cutting deck material. This material is strong and durable.

Versamow™ variable mulching. With a single lever, grass clippings can be collected in the bag or finely chopped and sprinkled over the lawn.

Grass bag capacity of 75 litres. This capacity allows you to work for longer without having to empty the bag.
