

TELAIR PPS 1000 PORTABLE LITHIUM BATTERY 1 KW INVERTER

Product price:

1.119,00 € tax excluded

Product description:

TELAIR PPS 1000 LITHIUM PORTABLE BATTERY 1 KW INVERTER

The TELAIR PPS 1000 portable battery is a practical solution to have access, in any situation, to an energy source without the problem of carrying fuel with you and worrying about noise.

With an output of 1 kW, the Telair PPS 1000 can power a wide range of electronic devices, such as laptops, cell phones, tablets, lamps, small appliances and more. It is equipped with an AC output socket that allows direct connection of devices that require AC power.

The Telair PPS 1000 portable battery uses lithium-ion technology that offers many advantages, including reduced weight, longer battery life, and high energy efficiency. This makes it easy to carry and ideal for use in camping, travel, outdoor activities, and emergency situations.

Unlike power generators or power generators the portable battery **does not require fuel** such as petrol or diesel to be powered. The portable battery can be easily recharged via a **charger with a 26 V / 4.5 A adapter or by solar energy or by car**, camper, truck, etc.

The TELAIR PPS 1000 portable battery is an excellent product for supplying energy also thanks to its small size and weight (in fact it weighs only 11 kg).

Another key feature of this practical Battery is that, being motorless, it **doesn't make noise** thus respecting the surrounding environment and lowering noise emissions as well as the fact that it does not require any maintenance to be done .

TELAIR PPS 1000 TECHNICAL FEATURES:

Certifications: CE, FCC, RoHS, PSE

INPUTS

Wall charge: 26 V - 4.5 A adapter (included)

Solar charging: 18-30 V - 200 W max (not included)

OUTPUTS

N.2 AC outlets: Schuko 1200 W continuous, 2400 W peak

N.2 DC port: 120 W / 12 V

N.1 USB port: 45 W / 20 V

N.1 USB port: 18 W / 12 V

N.2 USB port: 12 W / 5 V

N.1 cigar port: 120 W / 12 V

BATTERY

Capacity: 1100 Wh (300 Ah)

Power: 1000 W

Lifespan: +- 500 cycles

Length: 320 mm

Width: 230 mm

Height: 260 mm

Weight: 11 Kg

Product features:

Power (W): 1000

Battery capacity (Wh): 1100 (300 Ah)

Length (mm): 320

Width (mm): 230

Height (mm): 260

Approvals: CE, FCC, RoHS, PSE

Weight (Kg): 11

Inputs: Wall charging: Adapter 26 V - 4.5 A (included) / Solar charging: 18-30 V - 200 W max (not included)

Outputs: N.2 AC outlets: Schuko 1200 W continuous, 2400 W peak - N.2 DC port: 120 W / 12 V -

N.1 USB port: 45 W / 20 V - N.1 USB port: 18 W / 12 V - N.2 USB port: 12 W / 5 V - N.1 cigar

port: 120 W / 12 V

Life span: +- 500 Cycles
