

# DOMETIC HEKI 3 PLUS PORTHOLE FOR CAMPERS AND CARAVANS

**Product price:**

**775,00 € tax excluded**

## **Product description:**

### DOMETIC HEKI 3 PLUS PORTHOLE FOR CAMPERS AND CARAVANS

Dometic Heki 3 Plus is a sunroof for campers and caravans designed to provide increased ventilation, natural light, and comfort inside the recreational vehicle.

With a large opening surface area, this roof allows excellent air circulation and natural lighting inside the vehicle. The Dometic Heki 3 Plus is made of sturdy thermoformed acrylic, making it weatherproof and resistant to the elements, ensuring a long service life. The roof has a lightweight aluminum structure, which reduces the overall weight of the roof and the vehicle.

The Dometic Heki 3 Plus has a large opening surface, allowing the amount of air entering the interior to be regulated, ensuring a comfortable environment in all weather conditions. The roof has an integrated blackout curtain, which allows the amount of light entering to be regulated and provides greater privacy.

The Dometic Heki 3 Plus is easy to install and can be used on a wide range of recreational vehicles due to its versatility and compatibility with many caravan and RV models.

The Dometic roof is an excellent choice for those who want to increase ventilation, natural light, and comfort inside their recreational vehicle, offering a durable and versatile solution for air and light control inside the cabin.
