## **Product description:**

VITRIFRIGO C42L REFRIGERATOR-FREEZER 42L EXTERNAL REFRIGERATION UNIT

VITRIFRIGO C42L is a compressor refrigerator with a total capacity of 42L complete with freezer compartment and Airlock locking system as standard equipment.

It is a high-quality product that is designed for use in mobile environments such as RVs, boats and commercial vehicles. VITRIFRIGO C42L offers large storage volumes of up to 42L maximum and remarkable convenience of access at every point.

Interior space can be utilized to the fullest thanks to the presence of easily removable baskets.

The refrigerator door is reversible to adapt to the user's needs and has an Airlock locking system, pogeted to simplify and integrate different functions in order to offer a more functional and user-friendly innovative product. The interior of the refrigerator is divided into three shelves and a freezer drawer, all of which can be removed for easy cleaning.

In the upper top of the VITRIFRIGO C42L has been, inserted an element that allows the adoption of the "Vent Position," or the possibility of leaving the door ajar during periods of non-use, thus preventing the formation of mold and unpleasant odors.

The Vitrifrigo C42L is powered by 12/24V (115/230V Optional), so it can be used anywhere. It also has low operating noise and low energy consumption due to its compressor cooling system.

## TECHNICAL SPECIFICATIONS VITRIFRIGO C42L

Total capacity: 42

Freezer capacity: 3.6

Power supply: 12/24Vdc  
Nominal consumption: 31 W  
Refrigeration system: Compressor  
Reversible door: yes  
Width: 380 mm  
Depth: 384 mm  
Height: 532 mm  
Net weight: 16 Kg
