## Product description:

Whisper WP Sine 12V/2000W Inverter

Whisper WP Sine 12V/2000W is a sine wave inverter that ensures the operation of electrical devices up to 2000W powered by a 12V battery.

The compact and lightweight design makes the inverter ideal for use in camping, boating, cars or other places where a portable power source is needed. The Whisper WP 12V/2000W can be powered by a 12 V battery and offers a continuous output of 2000 W. This means that you can safely and reliably power many types of electrical devices, including laptops, cell phones, televisions and other similar items.

Whisper inverter uses pure sine wave technology, which is ideal for devices that require a stable and reliable supply. It has a number of protection features, including overheat protection, overcurrent protection and short-circuit protection. This means that the Whisper WP 12 V/2000 W inverter can provide safe and reliable power without risk to the user or connected devices. Whisper WP 12 V/2000 W ensures consistent and stable current quality, which means that devices powered by Whisper inverter will always operate reliably.

In essence, it converts battery electricity to AC current for household use and runs appliances on AC current independently. For applications such as: recreational vehicles, caravans, recreational boats, vacation homes, and trucks.

## General Benefits

- Stable frequency power output
- Also suitable for sensitive devices Remarkably compact and lightweight easy to install
- Rugged, protected against overheating, overuse and short-circuiting
- Outstanding value for money and quiet operation

Technical characteristics Whisper WP Sine 12 V/2000 W

Peak power: 4000 W  
Continuous power: 2000 W  
Output voltage: 230 V  
Output frequency: 50 Hz  
Input voltage: 12 VDC  
AC sockets: 2 x Schuko  
DC battery connection: M8 threaded screw  
Operating ambient temperature: -20°C / 55°C  
Max. relative humidity: 95%, non-condensing  
Cooling: Forced ventilation  
Width: 230 mm  
Length: 416 mm  
Height: 115 mm  
Weight: 5.5 kg
