Product description:

VITRIFRIGO IM CLASSIC CL HYDRO 12VDC ICE MAKER - DOOR OUTSIDE

VITRIFRIGO IM CLASSIC CL HYDRO is a 12 Vdc powered ice maker with a maximum capacity of 24l and a production of up to 4 kg/24h.

The VITRIFRIGO IM CLASSIC CL Hydro 12VDC uses advanced technology to produce high quality ice cubes in a short time.

It doesn't matter if you need to refresh your drinks or preserve your food, this device guarantees you fresh, crystal-clear ice cubes every time.

Thanks to its 12VDC power supply, the VITRIFRIGO IM CLASSIC CL Hydro ice maker can be used in a variety of settings, such as RVs, boats, or even inside your car. This versatility allows you to have fresh ice wherever you go, making your outdoor adventures even more enjoyable and convenient.

The compact and intuitive design of the VTRIFRIGO IM CLASSIC CL Hydro makes it extremely easy to prepare ice.

Just fill the water reservoir, select the desired settings, and within minutes you'll have ice cubes ready for use.

No more worrying about buying ice from other sources or having to wait a long time before enjoying a refreshing drink.

When it comes to portable ice makers, energy efficiency and time savings are key. The VITRIFRIGO IM CLASSIC CL Hydro 12VDC stands out for its features that allow you to get fresh ice quickly and efficiently, without wasting energy or precious time.

Thanks to its advanced technology, the VITRIFRIGO IM CLASSIC CL Hydro ice maker can produce ice cubes quickly and efficiently. This saves you valuable time, as you no longer have to

wait a long time for ice to be available. Now you can enjoy cold drinks instantly, without having to wait for the ice to form.
