## **Product description:**

AUTOCLIMA CUBE VEHICULAR AIR CONDITIONER 950 W

AUTOCLIMA CUBE is a practical and innovative air conditioner designed specifically to provide restful sleep during travel and adventures in RVs, campers, and recreational vehicles.

This versatile air conditioner offers a complete solution for food and beverage storage, as well as providing a cool and comfortable sleeping environment.

AUTOCLIMA CUBE is designed to fit a variety of applications, such as cargo vehicles, trucks, vans, and specialty vehicles. Its compact and versatile installation allows easy integration with the vehicle's electrical system, ensuring efficient use of interior space.

This vehicular air conditioner is equipped with a reverse cycle compressor, which enables rapid cooling of the air inside the vehicle. Its ability to regulate temperature precisely and quickly ensures a comfortable interior environment for the operator or driver.

The Autoclima Cube also offers advanced feature control, allowing the air conditioning experience to be customized. With its intuitive control panel, temperature, fan speed and other settings can be adjusted to tailor the system to individual preferences.

Another distinguishing feature of the AUTOCLIMA CUBE is its quietness during operation. Its optimized acoustic design minimizes noise, allowing you to work or drive in a quiet and comfortable environment.

Technical characteristics AUTOCLIMA CUBE

Cooling capacity: 950 W

Input voltage: 12V / 24V

Input frequency: 50 Hz

Evaporator flow rate: 250 m<sup>3</sup>/h  
Cooling airflow: 3250 BTU/h  
Nozzles: 3  
Compressor: Danfoss BD350GH  
Number of speeds: 6  
Refrigerant: 134a  
Remote control: yes  
Battery protection: yes  
Timer: yes  
Width: 400 mm  
Depth: 360 mm  
Height: 370 mm  
Net weight: 19.5 kg

**Product features:**

Voltage (V): 12 / 24  
Refrigerating yield: 950 Watt - 3250 btu (max)  
Ventilation speeds: 6  
Absorbed average current, refrigerating (A): 36 amp/h  
Maximum air flow rate (m<sup>3</sup>/h): 450  
Length (mm): 360  
Width (mm): 370  
Height (mm): 400  
Product type: Air conditioner  
Weight (Kg): 19.5
