Product description:

WEBASTO BLUECOOL S-27 SINGLE-BLOCK NAUTICAL AIR CONDITIONER 27000 BTU/h

Webasto BlueCool S-27 is a nautical air conditioner in a monoblock unit suitable for use on boats, with a rated cooling capacity of 27000 BTU/h.

The Webasto BlueCool S-27 is a nautical air conditioner designed to provide an effective and reliable solution for indoor boat air conditioning. With its cooling capacity, the air conditioner ensures optimal comfort in all weather conditions.

The BlueCool S-27 is constructed from materials that are resistant to UV rays and marine corrosion in order to ensure durability. Its compactness, light weight and ease of use make it an ideal option for boats seeking a comfortable climate and high energy efficiency.

The Webasto BlueCool S-27 marine air conditioner is the ideal way to keep ambient air cool and clean on boats, thanks to advanced technology designed to deliver reliable performance over time. The system features low noise levels, thanks to noise-dampening technology that minimizes vibration during operation, and a unit design that uses specially selected high-quality materials to ensure long life.

The Webasto BlueCool S-27 uses environmentally friendly refrigerant R410A, which features low greenhouse gas emissions and meets international environmental standards. This makes it a sustainable choice for those who want a high-quality, environmentally friendly air conditioning system.

The Webasto BlueCool S-27 comes complete with:

electronics
blower
Touch Screen remote panel with 4.5 m cable

TECHNICAL CHARACTERISTICS WEBASTO BLUECOOL S-27

Cooling capacity: 27000 BTU/h / 7900 W
Heating Capacity: 27000 BTU/h / 7900 W
Power Supply Voltage: 230V
Frequency: 50 / 60 Hz
Operating current consumption: 7.0 / 10.5 A
Fan Speed: 2 X 550 m³/h
Fan connection: 2 x 125 mm
Ø sea water connection: 3/4"
Minimum seawater flow rate: 21 l/m
Max. permissible ambient temperature: 40 °C
Refrigerant: R410a
Width: 575 mm
Depth: 515 mm
Height: 410 mm
Net weight: 46 kg

Product features:

Phase: Single phase
Frequency (Hz): 50
Voltage (V): 230
Refrigerating yield: 27000 BTU/h / 7900W
Heating power: 27000 BTU/h / 7900W
Absorbed average current, refrigerating (A): 7.0 / 10.5 A
Maximum air flow rate (m³/h): 2 x 550
Length (mm): 575
Width (mm): 515
Height (mm): 410
Product type: Air conditioner
Coolant: R410A
Weight (Kg): 46
