Product description:

Honda HHB36BXB Cordless Leaf Blower

The Honda HHB36BXB cordless leaf blower makes outdoor work easier and has a brushless electric motor, designed to provide all the power you need.

Thanks to the IPX4 waterproof certification, the Honda HHB36BXB leaf blower can also be used in the rain.

The Honda cordless HHB36BXB leaf blower can operate at variable speed with interchangeable nozzles, so it can adapt to dry, wet or heavy debris, whatever the job requires.

The belt-mounted quick-release battery can be adjusted for left- or right-handed use, making the Honda HHB 36BXB even lighter.

And with the fast charger, recharging is possible in just a few minutes.
