Product description:

DOMETIC RALLY AIR PRO Inflatable Awnings: Luxury and Convenience for Your Camping

Dometic Rally Air Pro introduces the revolutionary series of inflatable awnings, designed to provide you with the utmost comfort and flexibility during your camping stays.

This line perfectly fits a wide range of recreational vehicles with widths ranging from 2600 to 3900 mm, thus ensuring space and protection for every need. With the innovative Single Point Inflation™ system, installation is quick and effortless. The WeatherShield™ material ensures strength and durability over time, while the Dual-Pitch™ system and the QuickPitch™ guying system improve stability and ease of use.

Choose from the DOMETIC RALLY AIR Pro 260 DA, 330 DA, and 390 DA models to transform your outdoor experience. DOMETIC are synonymous with quality and efficiency, designed for those who love to travel without giving up the comforts of home.
