Product description:

VITRIFRIGO C115iAX OCX2 STAINLESS STEEL FRIDGE-FREEZER WITH ACCUMULATION PLATE

VITRIFRIGO C115iAX OCX2: A concentrate of style and technology for your boat.

Design and innovation meet in the VITRIFRIGO C115iAX OCX2 stainless steel fridge-freezer, part of the completely renewed OCX2 series.

Modern lines and elegant finishes characterise this VITRIFRIGO C115iAX OCX2 model, with square satin stainless steel door and top with polished details.

The VITRIFRIGO C115iAX OCX2 functionality has been further enhanced:

Dual door position: Choose between door inside or door outside installation with a single VITRIFRIGO C115iAX OCX2 fixing profile.

Steelock System: Top closure for a tight and secure seal.

Vent Position Function: Prevents mould and unpleasant odours when the refrigerator is not in use.

Self Venting Frame: Optimises perimeter ventilation for superior efficiency.

Cold-storage plate: Allows the refrigerator to be used even when the motor is switched off (models with code ending in "AX").

Versatility and reliability VITRIFRIGO C115iAX OCX2:

Total capacity: 115 litres, ideal for storing food and drinks for a journey of several days.

Freezer capacity: 17.1 litres, perfect for frozen products.

Power supply: 12/24Vdc, compatible with most boat electrical systems.

Nominal consumption: 45 W, low power consumption for efficient operation.
Compact dimensions: 588 mm wide, 780 mm high and 564 mm deep.
Reversible door: For greater flexibility in installation.
