VITRIFRIGO DW51 OCX2 DRINKS DRAWER FRIDGE

VITRIFRIGO DW51 OCX2 DRINKS DRINKS Drawer Fridge Your constant cool companion.

The DW51 OCX2 DRINKS Drawer Fridge is the ideal solution for those who want an elegant, functional and reliable way to store their drinks.

With its 51 litre capacity and compact 316 stainless steel design, this drawer fridge fits perfectly in any environment, from the kitchen at home to the boat.

Imagine a refrigerator that is a work of art. The sleek and modern design of the Vitrifrigo DW51 OCX2 DRINKS, with its square satin stainless steel door and polished top, makes it a perfect addition to any boat.

Digital thermostat with 5 preset settings: ensures precise temperature control and constant cycle even with outside temperatures of up to 43°C.

Not only beautiful, but also functional. Thanks to the innovative fastening profile, you can install the refrigerator in either "door outside" and 'door inside', adapting it to your needs. In addition, the concealed slot in the profile optimises perimeter ventilation, ensuring better energy efficiency.

Always ready for use. The VITRIFRIGO DW51 OCX2 DRINKS drawer fridge is equipped with a cold-storage evaporator evaporator that keeps food fresh even when the engine is switched off.

Compact and powerful. The Vitrifrigo DW51 OCX2 DRINKS is only 443 mm wide, 574 mm high and 522 mm deep,

making it ideal for boats of all sizes.

Choose the best for your boat, choose VITRIFRIGO DW51 OCX2 DRINKS drawer refrigerator.
