VITRIFRIGO DW90 OCX2 DRINKS drawer Refrigerator

VITRIFRIGO DW90 OCX2 DRINKS stainless steel drawer fridge-freezer Your onboard bar always stocked and chilled

Imagine having a bar at your complete disposal, always ready to refresh you with your favourite drinks. The VITRIFRIGO DW90 OCX2 is a 90-litre drawer fridge designed to turn your boat into a true oasis of coolness.

A concentrate of style and functionality: The sleek and modern design of the VITRIFRIGO DW90 OCX2 integrates perfectly with any nautical environment, giving it a touch of class and sophistication. The sliding basket with divider for 2-litre bottles makes organising and accessing your drinks a breeze.

Always at the right temperature: The new digital thermostat with 5 preset settings ensures precise temperature control, allowing you to keep your drinks at perfection even in outside temperatures of up to 43°C!

Flexibility without limits: The VITRIFRIGO DW90 OCX2 is perfect for adapting to your needs. The modular interior, with a pull-out drawer and fully removable top basket, allows you to manage space differently, giving you maximum flexibility for storing bottles, cans and any other beverage.

Uniform and constant freshness: The ventilated evaporator ensures continuous air circulation inside the fridge, guaranteeing an even temperature and better preservation of your drinks.
