## Product description:

### VITRIFRIGO CFR24 XR OCX2 FRIDGE-FREEZER

The VITRIFRIGO CFR24 XR OCX2 allows you to keep your foods fresh and frozen with style and functionality.

Crafted from high-quality stainless steel, this fridge-freezer boasts an elegant and modern design, with a square door that fits perfectly in any environment.

Its 24-liter capacity makes it ideal for meeting the storage needs of couples or small families.

Thanks to the LED digital thermostat, you can easily set the desired temperature inside the VITRIFRIGO CFR24 XR OCX2, choosing from a range of +10°C to -18°C. The flexibility of this feature allows you to quickly switch between fridge and freezer modes, adapting to your specific needs.

With a nominal consumption of just 60W, the VITRIFRIGO CFR24 XR OCX2 is a true champion of energy efficiency, allowing you to save energy while keeping your foods fresh and frozen. Additionally, its 12/24Vdc power supply makes it compatible with various types of vehicles, from your car to your camper or boat.

The Steelock closure system ensures reliable airtightness, preserving the freshness of your foods and preventing unwanted leaks.

The double door position offers easy access from both inside and outside, while the ventilation function prevents the formation of unpleasant odors during the fridge's inactivity.

The VITRIFRIGO CFR24 XR OCX2 is equipped with a remote unit, allowing you to control and adjust the temperature remotely,

offering you even more convenience and flexibility in your applications.

### **Technical Specifications VITRIFRIGO CFR24 XR OCX2:**

Total capacity liters: 24

Net weight: 15 Kg

Power supply: 12/24Vdc (also available 12/24Vdc - 100-240Vac 50/60Hz)

Nominal consumption: 60W

Total width: 416 mm

Total height: 546 mm

Total depth: 433 mm

Internal temperature range: +10 -18°C
