## **Product description:**

### VITRIFRIGO DP150i FRIDGE-FREEZER

The VITRIFRIGO DP150i is an internal freezer refrigerator from the AIRLOCK series, ensuring maximum efficiency and convenience. Designed to offer advanced functionality and ease of use, the new Airlock closing system provides four innovative solutions, including positive door closure to prevent accidental openings and fast door reversibility for increased flexibility.

Also integrated is the "vent position" system to keep the door slightly ajar, preventing unpleasant mold odors.

The series of refrigerators and freezers stands out for its essential and elegant bicolor design, available in Light Grey and Black, both with a matte finish on the door panel.

With a total capacity of 150 liters and a freezer capacity of 30 liters, the VITRIFRIGO DP150i is lightweight, weighing 43 kg, and can be powered by both 12/24Vdc and a bivalent control unit 12/24Vdc - 100-240Vac 50/60Hz, ensuring flexibility in power options. Its overall dimensions are 525 mm in width, 1095 mm in height, and 530 mm in depth.

This product, VITRIFRIGO DP150i is available in black and gray colors, with a reversible door for greater adaptability.

The Airlock system is included as standard, with the option to add the optional profile for further customization.

The VITRIFRIGO DP150i offers additional features such as Easy Custom for simplified panel customization and a new high-intensity LED lighting system. Optional features include the D power system for increased power supply flexibility.

Technical Specifications VITRIFRIGO DP150i:

Total capacity litres: 150  
Freezer capacity litres: 30  
Net weight: 43 Kg  
Power supply: 12/24Vdc (also available with bivalent 12/24Vdc - 100-240Vac 50/60Hz)  
Nominal consumption: 65W  
Total width: 525 mm.  
Total height: 1095 mm.  
Total depth: 530 mm.  
Panel colour: black/grey  
Reversible door: yes

**Product features:**

Input power (W): 12/24Vdc (also available with bivalent control unit 12/24Vdc - 100-240Vac 50/60Hz)  
Length (mm): 530  
Width (mm): 525  
Height (mm): 1095  
Dry weight (Kg): 43  
Product type: Compressor refrigerator  
Colour: black / grey  
Capacity of the refrigerator (L): 150  
Freezer (L): 30  
Nominal consumption: 65W  
Reversible door: Yes
