Product description:

VITRIFRIGO DP150i Chromelock Fridge-Freezer 155LT: Space and Versatility for Your Adventures

The VITRIFRIGO DP150i Chromelock Fridge-Freezer 155LT is the ideal solution for those looking for a compact but spacious fridge-freezer, perfect for campers, boats or vans. With a total capacity of 155 liters, of which 35 liters are dedicated to the freezer, it offers ample space to store fresh and frozen food during your travels.

Main Features:

Generous Capacity: With 155 liters of total capacity, you will have enough space to store everything you need.

Separate Freezer Compartment: The 35-liter freezer allows you to better organize your frozen food.

Versatile Power Supply: Works at 12/24Vdc, adapting to different power sources. A 12/24Vdc - 100-240Vac 50/60Hz dual electronic control unit is also available for greater flexibility.

Low Energy Consumption: With a nominal consumption of only 70W, this fridge-freezer is efficient and helps you save energy.

Optimized Dimensions: The compact dimensions (525 mm wide, 1095 mm high and 530 mm deep) make it easy to install even in tight spaces.

Elegant Design: The black/grey panel color easily adapts to any decor.

Lightweight: Weighing only 28.5 kg, it is easy to transport and install.
