Product description:

Vitrifrigo DCW46 46-Litre Wine Cellar

Vitrifrigo DCW46 46-Litre Wine Cellar Elegance and Technology for Preserving Your Fine Wines

Compact and Refined Design Vitrifrigo DCW46:

With a capacity of 46 liters and a height of only 520 mm, the Vitrifrigo DCW46 fits perfectly into any environment, from modern kitchens to stylish living rooms. The brushed stainless steel finish and tinted glass add a touch of elegance and sophistication, while the reversible door offers flexibility in placement.

Cutting-Edge Technology for Wine Care:

Equipped with a compressor cooling system and a digital thermostat, the Vitrifrigo DCW46 Wine Cellar ensures a constant and precise internal temperature between +4°C and +18°C, ideal for preserving white, red, and sparkling wines for extended periods. Its low energy consumption of 0.20 kWh/24h also makes it an eco-friendly choice.

Capacity and Functionality of Vitrifrigo DCW46 Wine Cellar:

The 46-Litre Vitrifrigo DCW46 Wine Cellar can accommodate up to 10 bottles (diameter 76 mm x height 315 mm) stainless steel. The internal LED light facilitates the selection of the desired bottle.
