## Product description:

### VITRIFRIGO TL40L CHEST FREEZER

The VITRIFRIGO TL40L is a chest refrigerator with an external cooling unit designed specifically to meet the food preservation needs aboard vessels such as yachts and boats. With a generous total capacity of 40 liters, the VITRIFRIGO TL40L provides ample storage space to keep food fresh during long sea voyages.

Featuring a compact design, the VITRIFRIGO TL40L is perfectly suited even for confined spaces, while ensuring efficient and uniform cooling. Its sturdy construction is engineered to withstand the most challenging marine conditions, ensuring long-term durability and optimal food preservation in any situation.

Weighing just 10 kg, the VITRIFRIGO TL40L is lightweight and easy to transport, making it a practical choice for onboard storage needs. Its 12/24Vdc power supply makes it compatible with common electrical systems found on vessels, ensuring reliable operation even under variable voltage conditions. Additionally, it is also available with a dual-power unit, offering further flexibility in power management.

With a nominal power consumption of only 31W, the VITRIFRIGO TL40L ensures optimal energy efficiency, minimizing its impact on the vessel's electrical system. Its overall dimensions of 425 mm in width, 418 mm in height, and 425 mm in depth make it easy to install in various space configurations, providing unparalleled versatility.

With its generous 40-liter capacity and advanced design features, the VITRIFRIGO TL40L stands out as a top option in the chest refrigerators and freezers sector,

guaranteeing safe and efficient food preservation during sea adventures.

**Technical characteristics VITRIFRIGO TL40L:**

Total capacity litres: 40

Net weight: 10 Kg

Power supply: 12/24Vdc (also available with bivalent 12/24Vdc - 100-240Vac 50/60Hz)

Nominal consumption: 31W

Width: 425 mm.

Height: 418 mm.

Depth: 425 mm.

**Product features:**

Length (mm): 425

Width (mm): 425

Height (mm): 418

Dry weight (Kg): 10

Feed Type: 12/24Vdc (disponibile anche con centralina bivalente 12/24Vdc - 100-240Vac 50/60Hz)

Product type: Frigorifero a Pozzetto

Capacity of the refrigerator (L): 40

Nominal consumption: 31W
