Product description:

Marine Inverter TMC260

Marine Inverter TMC260 is a high-end product designed to deliver exceptional performance and unparalleled reliability.

With its mechanically driven servo-assisted bevel clutches, silent gears and generously dimensioned bearings

this Marine inverter can handle even the largest and most demanding vessels effortlessly.

Unprecedented smoothness of travel: Enjoy a smooth and comfortable ride, as if you were gliding on water.

Durability: Rely on the robustness of the TMC260's gears, built to last and face any challenge.

Lightweight and robust: The die-cast aluminium body provides maximum strength without weighing the boat down.

The Marine Inverter is not just a component, it is the beating heart of your boat, the perfect combination of power and reliability.

Designed to meet the needs of those who want the most from their boat, the TMC260 stands out for its high performance and attention to detail, offering an unrivalled sailing experience.

Key features:

Servo-assisted mechanical cone clutches: they guarantee smooth and precise engagement, without jerks or annoying noises.

Specially designed gears: minimise noise of operation and offer greater running smoothness.

Generously dimensioned bearings: ensure high reliability and long service life.

Limited reduction ratio in reverse: ensures greater safety and manoeuvrability.

Available with different types of bellhousing: to adapt to any type of engine.

Technical Specifications Marine TMC260 Inverter:

Maximum motor speed: 5000 Rpm

Maximum motor power: 84 Kw

Dry weight: 18 Kg

Oil quantity: 1.2 L

Oil type: ATF

Torsional compatibility:

The marine inverter is compatible with a wide range of engines.

However, it is important to check torsional compatibility before installation.

Torsional incompatibility can cause damage to the inverter marine and other transmission components.

Technology in the service of your pleasure: The TMC260 is designed to enhance the pleasure of cruising,

offering you a unique and engaging driving experience.

An investment for the future: Choosing the TMC260 represents a long-lasting investment,

a reliable travelling companion that will accompany you on countless adventures.
