Product description:

VITRIFRIGO DW180 OCX2 DTX IM REFRIGERATOR-FREEZERS

The VITRIFRIGO DW180 OCX2 DTX IM is a dual-compartment refrigerator-freezer, part of the stainless steel drawer fridge-freezer series DW OCX2 - NEW by VITRIFRIGO. This series features a renewed design with a square satin stainless steel door and a glossy top, ensuring a blend of aesthetics and functionality.

With a total capacity of 144 liters, including 80 liters in the upper compartment and 64 liters in the lower one, this refrigerator-freezer offers ample space for storing food and beverages.

The innovative locking system of the VITRIFRIGO DW180 OCX2 DTX IM, Steelock, available only with the door inside profile, combines design and technology for a secure and efficient closure. The DW OCX2 series by VITRIFRIGO provides optimized ventilation thanks to the concealed slots in the fixing profile, ensuring ideal air circulation and preventing the formation of mold and unpleasant odors. The Steelock handle features a ventilation position, allowing airflow during periods of non-use.

Equipped with LED light for perfect internal illumination, an internal icemaker (excluding DW100) for an advanced user experience, and an LED thermostat for precise temperature control, the VITRIFRIGO DW180 OCX2 DTX IM offers exceptional functionality. Optionally, the D power system is available, allowing flexible power supply at 12/24Vdc or 100-240Vac 50/60Hz.

The sturdy drawers offer resistance and capacity for optimal food organization.

Combining advanced functionality and elegant design, the VITRIFRIGO DW180 OCX2 DTX IM ensures reliable and versatile performance for your food storage needs.

With its ability to adapt to both Door Inside and Door Outside configurations, it represents a versatile solution for any domestic or professional environment.

Technical Specifications VITRIFRIGO DW180 OCX2 DTX IM:

Total capacity litres: 144
Upper compartment capacity litres: 80
Lower compartment capacity litres: 64
Net weight: 61 Kg
Power supply: 230Vac (115Vac optional)
Nominal consumption: 168W (115Vac) - 140W (230Vac)
Total width: 666 mm.
Total height: 881 mm.
Total depth: 601 mm.
