Product description:

VITRIFRIGO DW210 OCX2 DTX IM FREZZER-REFRIGERATORI

The VITRIFRIGO DW210 OCX2 DTX IM is a double-compartment freezer-fridge with an icemaker, belonging to the DW OCX2 series of stainless steel drawer fridge-freezers. This new series offers a modern design, characterized by a squared satin stainless steel door and a top with glossy finishes, along with advanced functionalities that enhance the food preservation experience.

With a total capacity of 182 liters, the VITRIFRIGO DW210 OCX2 DTX IM provides ample storage space, divided into a 78-liter upper compartment and a 104-liter lower compartment, ensuring efficient food management.

Crafted with high-quality 316 stainless steel, this VITRIFRIGO freezer-fridge is elegant and durable over time. Its versatility is evident thanks to the unique fixing profile, allowing for positioning as both door outside and door inside. Additionally, the profile features a recessed groove to optimize perimeter ventilation and prevent the formation of molds and unpleasant odors when the door is left slightly ajar during periods of non-use.

Other advanced features of the VITRIFRIGO DW210 OCX2 DTX IM include the "Steelock" closure, ensuring a perfect seal, and the LED thermostat for precise temperature control. The sturdy drawers offer sufficient space to organize food neatly, while the "Venting Frame" groove system enhances air circulation and increases refrigeration efficiency.

With an internal icemaker and LED light for optimal illumination inside the fridge, the VITRIFRIGO DW210 OCX2 DTX IM provides a comprehensive solution for food preservation needs.

Whether for home or commercial use, this appliance represents an ideal choice for those seeking style, functionality, and reliability.

Technical Specifications VITRIFRIGO DW210 OCX2 DTX IM:

Total capacity litres: 182

Upper compartment capacity litres: 78

Lower compartment capacity litres: 104

Net weight: 66 Kg.

Power supply: 230Vac (115Vac optional)

Nominal consumption: 168W (115Vac) - 140W (230Vac)

Total width: 739 mm.

Total height: 893 mm.

Total depth: 636 mm.
