Product description:

VITRIFRIGO C62iX OCX2 STAINLESS STEEL FRIGO-FREEZER

VITRIFRIGO C62iX OCX2 is a stainless steel refrigerator with a total capacity of 62 litres complete with freezer compartment.

VITRIFRIGO C62iX OCX2 covers all needs in terms of space and capacity.

Designed to transform the refrigerator into an elegant piece of furniture, it expresses a sober and refined style.

VITRIFRIGO C62iX OCX2 offers large storage volumes of up to 62 litres maximum and remarkable ease of access at every point.

Internal space can be optimally utilised thanks to easily removable baskets.

VITRIFRIGO C62iX OCX2 is equipped with a square closing door.

With a single fixing profile it is possible to position the refrigerator in both door outside and door inside versions by simply moving the profile itself, which also has a concealed slot that optimises perimeter ventilation.

In the upper top of the VITRIFRIGO C62iX OCX2 there is an element that allows the "Vent Position", i.e. the possibility of leaving the door ajar when not in use, thus preventing the formation of mould and unpleasant odours.

Technical Characteriscs VITRIFRIGO C62iX OCX2 Refrigerator:

Total capacity litres: 62 Lt

Freezer capacity litres: 4,5 Lt

Net weight: 22 Kg

Power supply: 12/24Vdc (also available with bivalent 12/24Vdc - 100-240Vac 50/60Hz)

Nominal consumption: 40 W

Total width: 513 mm
Total height: 558 mm
Total depth: 550 mm
Reversible door: yes
