Product description:

FENZI G4 Digital Tank 4900LT

The FENZI G4 Digital Tank 4900LT represents a cutting-edge tank designed for safe storage and distribution of diesel fuel, approved by the Ministry of the Interior according to Ministerial Decree dated 22/11/2017. With a capacity of 4900 liters, it offers a versatile solution ideal for vehicle fleets and private use.

Key features of the FENZI G4 Digital Tank 4900LT:

Capacity and Construction:

This 4900-liter digital tank is the perfect choice for those seeking a compact and efficient solution. The standard green paint ensures weather resistance and a pleasing appearance.

Included Components:

The FENZI G4 4900LT comes with accessories ensuring safe and efficient operation, including a 110% containment basin to prevent fuel leaks, dispenser available in cube or column version, 4-meter rubber hose with automatic nozzle, control software, cartridge filter, various fittings, and comprehensive documentation for easy installation.

Technology and Safety:

The FENZI G4 Digital 4900LT incorporates advanced technical features to ensure safe and reliable operation, such as a 3" quick connect bronze filling cap, 90% load limiting valve, 1"1/2 bronze vent

mushroom with
flame arrestor mesh, external level indicator visible with float, 420 mm manhole with bolts and gasket,
vacuum lifting eyes, bottom discharge sleeve with safety cap, grounding socket and equipotential bonding,
1" external suction connection with check valve, 1" ball valve for precise fuel flow control, and
1" galvanized steel tube.

Dispensers available for the FENZI G4 Digital 4900LT:

Cube: Equipped with user management and integrable with control software on computers, with flow rates of 50 or 70 liters/min at 220 Volts.

Columns: Available in mechanical and digital versions, ideal for fueling small facilities or private fleets, with flow rates of 50, 70, and 90 liters/min and power supply at 220/380 Volts.

Additional Accessories FENZI:

Sunshade for sun protection, side cover for the dispenser, kit of interchangeable cartridge filters, and extension kit for all pump groups.

Dimensions of the FENZI G4 Digital 4900LT:

Capacity: 4900 liters

Width: 1200 mm

Length: 2000 mm

Height: 2100 mm

In summary, the FENZI G4 Digital 4900LT represents an innovative solution for safe diesel storage and distribution, with advanced technology and a wide range of accessories ensuring maximum efficiency and safety in various applications.
