Product description:

FENZI G7PK APPROVED TRANSPORT TANK

The FENZI G7PK Approved Transport Tank is an innovative tank for the transport of hazardous liquids, designed to offer maximum safety and ease of use. The FENZI G7PK Approved Transport is specifically approved for diesel, ensuring safe and compliant use with current regulations. The pick-up version of the FENZI G7PK model has been designed to simplify road usage, allowing anyone to transport diesel with full ADR exemption according to 1.1.3.1c.

Features of the FENZI G7PK :

Capacity: 440 liters

Filler cap with vent: Ensures easy and safe tank filling operations.

12-volt pump: With a flow rate of 40 liters per minute, it ensures quick and efficient refueling.

4-meter flexible hose: Equipped with an automatic nozzle for convenient and precise dispensing.

2-meter battery connection clamps: For easy connection to the vehicle's power supply.

Lockable cover: Protects the tank's contents and prevents unauthorized access.

Anchoring strap housing: Facilitates the secure fixing of the tank during transport.

Forklift lifting pockets: Allow safe and efficient lifting of the tank when fully loaded.

Technical Specifications of the FENZI G7PK :

The FENZI G7PK has been designed with attention to technical details to meet the needs of the most demanding users. Specifications include:

Capacity: 440 liters

Dimensions: 800L x 1200W x 700H mm

Thickness: 9 mm

Empty weight with pump unit: 60 kg
12-volt pump: With a flow rate of 40 l/min
4-meter flexible hose: With an automatic nozzle terminal
2-meter battery connection clamps: For easy and quick connection
Included lockable cover: For added security
Anchoring strap housing and forklift pockets: For safe and stable transport

Optional Accessories for the FENZI:

To enhance the functionality and convenience of the tank, the following accessories are available upon request:

Digital flow meter: To accurately monitor the dispensed fuel.
Level probe: For precise control of the diesel level in the tank.
Diesel impurity filter: To ensure that the dispensed fuel is free of impurities and safe for use.

The FENZI G7PK Approved Transport Tank represents an ideal solution for those who need a certified transportable for diesel transport, combining safety, practicality, and regulatory compliance in a single product. With its advanced features and the possibility of customization with additional accessories, the FENZI G7PK meets the needs of both professional and occasional users.
