DOMETIC NRX80S Compressor refrigerator 75L STEEL

DOMETIC NRX80S 75L STEEL Compressor Refrigerator: Freshness and style on board

The DOMETIC NRX80S is more than just a refrigerator: it is a true centrepiece of your boat, a perfect blend of functionality, design and technology. Designed with an elegant stainless steel front, it integrates perfectly into any nautical environment, adding a touch of style and sophistication.

Features that make the difference:

Versatility without compromise: Thanks to the removable freezer, you can customise your fridge to suit your needs, transforming it into a larger fridge or a larger freezer.

Energy efficiency: Dometic technology allows you to save energy without sacrificing performance. The premium compressor and vacuum panels ensure efficient, long-lasting cooling while minimising consumption.

Ease of use: The intuitive control panel and well-organised interior make using the refrigerator easy and pleasant.

Attractive design: The modern, streamlined design, with its wide handle and integrated LED bar, gives the refrigerator a sleek, contemporary look.

Robustness and reliability: Made from high-quality materials and designed to withstand the rigours of the marine environment, the DOMETIC NRX80S is a long-term investment.

Why choose the DOMETIC NRX80S?

Flexibility: Adapt the refrigerator to your needs thanks to the removable freezer.

Energy saving: Reduce consumption and respect the environment.

Design: A touch of elegance on board.

Quality: High-quality materials and solid construction for long life.

Functionality: Well-organised and easy-to-clean interior.

technical features DOMETIC NRX80S Frigorifero a compressore 75L ACCIAIO:

Product description: Compressor refrigerator

Product material: stainless steel front

Input voltage, direct current: 12/24 V

Climatic class: T

Refrigerant: R134a

Refrigerant quantity: 32 g

Usable volume: 75 Lt

Input power: 55 A

Freezer volume: 6.6 Lt

Length: 537 mm

Width: 475 mm

Height: 625 mm

Net weight: 20 Kg
