Product description:

DOMETIC CI28 COOL ICE 28LT

The DOMETIC CI28 Cool Ice 28LT is the ideal solution for those seeking excellent performance and durability in a compact 28-liter device, perfect for outdoor adventures. Designed with a rotomolded monoblock, the refrigerator offers exceptional resistance even in the most extreme conditions. Thanks to its high-quality PU insulation, the DOMETIC CI28 can keep ice for days, ensuring fresh drinks and properly stored food.

The ergonomic handles make it easy to transport, while the integrated handles provide a convenient alternative when the refrigerator is full. The high-quality rubber hinges allow for smooth opening, avoiding sharp edges and ensuring safe and comfortable access. The DOMETIC CI28 Cool Ice also offers over 330mm of internal space, ideal for placing wine bottles upright, with a capacity of up to 32 cans of 330ml.

Another distinguishing feature of the DOMETIC CI28 Cool Ice is the internal tray, useful for keeping unsealed food dry and separate. This DOMETIC CI28 also includes additional accessory options such as cup holders, bottle openers, and fishing rod holders, perfect for versatile use during camping or boating trips. Thanks to its robust design and rotomolded material, the DOMETIC CI28 Cool Ice ensures years of reliable use and resistance to scratches and impacts.
