Product description:

VTE PAGURO 16500 Marine Generator 16.5KVA 60Hz AVR

VTE PAGURO 16500 Marine Generator 16.5KVA 60Hz AVR: Power and reliability in a compact size

The VTE Paguro 16500 is a marine diesel generator designed for reliable and silent performance in marine environments. With a continuous output of 16.5 kVA at 60 Hz, this generator is capable of powering a wide range of electrical devices on board.

Key features:

Kohler KDI 1903 engine: Ensures reliable and durable operation, even under demanding operating conditions.

Silent and compact: With a noise emission level of only 51 dB(A) at 7 metres, the Paguro 16500 is extremely quiet and takes up little space.

Water cooling: Ensures optimum engine operating temperature, prolonging engine life.

Electric start: Simplifies starting the generator, even in adverse weather conditions.

AVR: The automatic voltage regulator (AVR) ensures a stable output voltage and protects connected devices.

Robust construction: Made of high-quality materials, the Paguro 16500 is designed to withstand the harshest marine environments.

Technical Specifications:

Fuel: Diesel
Engine RPM: 1800
Phase type: Single-phase
Continuous electrical power: 16.5 KVA - 15 KW
Frequency (Hz): 60 Hz
Voltage (V): 230 V
Engine: Kohler KDI 1903
Starter: Electric
Silenced: Supersilenced Noise emission 51 dB(A) 7 m
Cooling: Fresh water with heat exchanger
Dry weight (kg): 500
Length (mm): 1224
Width (mm): 631
Height (mm): 828
inrush current: 360 A
number of cylinders: 3
Starting and stopping system: 12 V electric with remote control
insulation class: H
AVR

Product features:

Phase: Single phase
Continuous power single phase (KW): 15
Continuous power single phase (KVA): 16.5
Fuel: Diesel
Frequency (Hz): 60
Voltage (V): 230
Engine: Kohler KDI 1903
Engine rpm (rpm): 1800
Starting system: Electric
Number cylinders: 3
Cooling: Fresh water with heat exchanger
Alternator: Synchronous, brushless
Consumption (L/h): 0.35
Length (mm): 1224
Width (mm): 631

Height (mm): 828

Dry weight (Kg): 500

AVR: Yes

Product type: Generator

Engine manufacturer: Kohler
