Product description:

WEBASTO ISOTHERM CRUISE 130EL ELEGANCE REFRIGERATOR - 130LT

The WEBASTO ISOTHERM Cruise 130EL is a marine refrigerator designed to offer maximum efficiency and convenience, with a capacity of 130 liters. This WEBASTO Cruise 130EL Elegance features a separate 8-liter freezer compartment, two adjustable shelves, and three door balconies, along with a vegetable drawer covered by glass shelves, providing optimal space management.

Thanks to the ventilated Secop compressor 12/24V, the WEBASTO ISOTHERM Cruise 130EL Elegance is extremely quiet and highly efficient, reducing energy consumption. It is also compatible with the Isotherm Smart Energy Control system, further enhancing the refrigerator's efficiency, making it perfect for extended stays onboard.

The WEBASTO ISOTHERM Cruise 130EL Elegance refrigerator also stands out for its compact design: with dimensions of 528 x 746 x 505 mm and a weight of 25 kg, it is easy to install thanks to the "Easy Fix" mounting solutions. The refrigerator door is customizable, allowing it to match the design of the boat, and the internal white LED lighting provides optimal visibility.

Another important feature is the "vent-lock" system, which allows the refrigerator to remain slightly open without compromising food preservation. The WEBASTO ISOTHERM Cruise also includes optional fixing flanges to ensure stability during navigation.

Technical Specifications of the WEBASTO ISOTHERM Cruise 130EL Elegance Refrigerator - 130LT:

Total capacity: 130 L
Freezer capacity: 8 L
