Product description:

WEBASTO ISOTHERM Cruise 130 Classic Refrigerator - 130LT

The WEBASTO ISOTHERM Cruise 130 Classic is a refrigerator designed to ensure maximum efficiency and reliability in marine environments and mobile vehicles. With a total capacity of 130 liters and a separate freezer compartment of 8 liters, this refrigerator is ideal for those looking for space and practicality. Powered by a 12/24V voltage supply, it is perfectly suited for situations where energy savings are essential, with a nominal consumption of only 72 W.

Thanks to the ST climate class, the WEBASTO ISOTHERM Cruise 130 Classic operates optimally in environments with temperatures ranging from 18°C to 38°C, always maintaining the freshness of the food.

The freezing capacity reaches a maximum of -6°C, ideal for long-term preservation.

This WEBASTO ISOTHERM refrigerator is equipped with three adjustable shelves, a large vegetable drawer, and an internal light that facilitates food organization. Its compact design is completed by overall dimensions of 527 mm in width, 505 mm in depth, and 746 mm in height, with a net weight of 23 kg, making it easy to integrate into limited spaces. The optional frames (OPT) allow for cutout customization, ranging between 531 mm and 751 mm.

At the heart of the WEBASTO ISOTHERM Cruise 130 Classic is the BD 35 F compressor, known for its efficiency and quietness, ensuring optimal operation even under intensive use conditions. Thanks to the

ventilated Secop compressor and robust structure, this refrigerator offers superior performance and long-lasting durability.

Perfect for yachts, campers, or caravans, the WEBASTO ISOTHERM Cruise 130 Classic is the ideal choice for those seeking a reliable, efficient, and spacious refrigerator. With its modern and functional design, the Cruise 130 by WEBASTO ensures that your food remains fresh, wherever you are.
