Hyundai 65712 Supersilenced Compressor 6LT

Hyundai 65712 Supersilenced Compressor 6LT: Power and Quietness in a Compact Format
The Hyundai 65712 is a professional air compressor, ideal for home and hobby work, designed to offer high performance and a comfortable user experience without sacrificing compactness.

Key features:

Extremely quiet: At only 59 dBa, the Hyundai 65712 is one of the quietest compressors on the market, allowing you to work without disturbing your surroundings.

Power and efficiency: Despite its compact size, this compressor delivers a maximum pressure of 8 bar and an airflow of 160 L/min, perfect for a wide range of applications, from inflating tires to cleaning tools.

Oil-Free Technology: With oil-free technology, the compressor is more environmentally friendly, requires less maintenance and provides cleaner compressed air.

Robustness and Reliability: Built with high-quality materials and equipped with a 750W motor, the Hyundai 65712 stands for durability and reliability over time.

Practical and handy: Its compact size (480x190x440 mm) and light weight make it easy to carry and use in any space. The 4 feet ensure optimal stability.

Technical Features:

Tank capacity: 6LT

Pressure: 8 bar

Power/Voltage: 750W - 1.0HP - 230V/50Hz

Power supply 230V / 50Hz

N°Cilinders: 1

Noise measured: 59 dBa

RPM: 1440 RPM

Insulation class: B
Air intake: 160 L/m
OIL FREE: Yes
No. Feet: 4
Net/gross weight: 13 /14 Kg
Product dimensions: 480x190x440 mm
