Product description:

TELECO STERIL-AIR Battery-operated Air Purifier with Alim ext Usb

TELECO STERIL-AIR Battery-operated Air Purifier with Alim ext Usb: Breathe cleaner air wherever you are

The TELECO STERIL-AIR is a compact and portable air purifier, perfect for purifying the air in any environment,

from your office to your car, thanks to its battery-powered, USB-rechargeable design.

Teleco purifier is your ideal travelling companion: light, compact and always ready to offer you clean air wherever you are.

TELECO STERIL-AIR LED UV-A purifier technology: effectiveness and safety

Using powerful TELECO LED UV-A technology with photocatalysis, the STERIL-AIR Purifier effectively eliminates

Organic contaminants: fine dust, pollen, dust mites

Bad odours: smoke, food, animals

Viruses and bacteria: including SARS-CoV-2

Volatile organic compounds (VOCs): formaldehyde, benzene

Unique advantages of STERIL-AIR Purifier:

Safety: Teleco LED UV-A technology is safe for people and animals, without emission of ozone or other harmful substances.

Efficiency: Eliminates up to 99.998% of viruses and bacteria in just 30 minutes.

Continuity: Operates 24 hours a day, ensuring clean air at all times.

Low consumption: Thanks to UV-A LEDs, it consumes very little energy.

Durability: UV-A LEDs last up to 30,000 hours, compared to 2,000-10,000 hours for mercury lamps.

Portable: Thanks to the battery and USB power supply, you can take it anywhere.

Chemical-free: No environmentally harmful chemicals are used.

How does UV-A LED technology work?

TELECO STERIL-AIR UV-A LED purifiers emit ultraviolet light that, combined with a catalyst triggers a reaction that degrades contaminants in the air, rendering them harmless.

Teleco purifier protects you and your loved ones from major air pollutants, ensuring healthy breathing.

Why choose TELECO STERIL-AIR purifier?

Certified: Effectiveness tested on SARS-CoV-2 in the laboratory.

Silent: Works discreetly, without disturbing.

Easy to use: Simply switch it on and place it in the room to be purified.

Compact design: Fits into any space.

Breathe healthier air and live better with TELECO STERIL-AIR Purifier!
