## **Product description:**

BURGLAR-PROOF CAISSON 1078 L

Burglar-proof Box 1078 L: Security and robustness at the service of your valuables

The Burglarproof Box 1078 L is the ideal solution for protecting your valuables from theft and damage. Made of solid 2 mm steel sheet and coated with a durable powder coating, this box guarantees durability and optimum protection.

## All-round security:

**Concealed double lock:** An innovative, concealed locking system makes it virtually impossible to force the caisson.

**Airtight joint:** The minimal distance between the lid and the caisson prevents the insertion of any tools, offering total protection.

**Anti-tip cushioning kit (optional):** This innovative system prevents the lid from accidentally closing, ensuring maximum safety during use.

## **Technical characteristics:**

Capacity: 1078 litres

Dimensions: 1800 x 820 x 730

Weight: 110 kg

Material: 2 mm steel sheet, powder-coated

Why choose the Burglarproof Box 1078 L?

**Total protection:** Thanks to the robust design and security locking system, your items will always be safe.

**Versatility:** Perfect for use in garages, workshops, construction sites and any other environment where extra protection is needed.

**Durability:** Made of high-quality materials to withstand wear and tear and the elements.
