Product description:

FRIGOBOAT MS80 MOBILE FRIDGE WITH ICEBOX 60LT

The FRIGOBOAT MS80 Mobile Fridge with Icebox 60lt represents an innovative and high-quality solution specifically designed for use on boats. This FRIGOBOAT MS80 refrigerator is the result of decades of experience in the marine refrigeration sector, combining a modern design with top-quality materials to ensure excellent performance in any condition.

Key Features of the FRIGOBOAT MS80 Mobile Fridge with Icebox 60lt:

Total capacity: 60 liters, ideal for storing food and drinks on board.

Net weight: 32 kg, a perfect compromise between robustness and lightness.

Power supply: supports multiple voltage options (12V / 24V / 230V), offering maximum flexibility for any electrical system.

Compact Dimensions of the FRIGOBOAT MS80:

Width: 435 mm

Height: 600 mm

Length: 470 mm

These measurements make it easy to install even in small spaces.

Insulation: 50 mm of expanded polyurethane for superior thermal efficiency and reduced energy

consumption.

Internal Organization of the FRIGOBOAT MS80:

1 adjustable stainless steel shelf.

Integrated bottle holder.

Can holder.

Separate Icebox, designed to maintain a constant temperature and ensure optimal preservation of cold-sensitive products.

Innovations and Advantages of the FRIGOBOAT MS80:

The FRIGOBOAT MS80 Mobile Fridge with Icebox 60lt is entirely made of stainless steel, a material that ensures corrosion resistance and long-lasting durability. The interiors, also in stainless steel, are designed to offer practicality and versatility, with adjustable shelves and an elegant integrated Icebox, perfect for maintaining lower temperatures and improving the preservation of delicate food and beverages.

The closure with an ergonomic handle and rounded edges enhances safety during navigation, while the magnetic seal ensures an airtight closure to better preserve the internal temperature. The integrated LED light provides excellent visibility even in low-light conditions.

Performance and Efficiency:

The FRIGOBOAT MS80 Mobile Fridge with Icebox 60lt is compatible with Frigomatic refrigeration units, both air-cooled and water-cooled. This allows for a customized installation to maximize system efficiency. Furthermore, the quick-connect system makes installation simple and fast, adapting to any type of boat.

Thanks to advanced insulation and refrigeration technology, the FRIGOBOAT MS80 Mobile Fridge with Icebox 60lt ensures low energy consumption without compromising performance. The internal volume of 0.12 m³ is optimized for effective preservation even in challenging climatic conditions.

Applications:

The FRIGOBOAT MS80 Mobile Fridge with Icebox 60lt is the ideal choice for yacht owners and boaters looking for a reliable, elegant, and high-performance refrigerator. Perfect for installations

on yachts, sailboats, or motorboats, this model stands out for its versatility and ability to seamlessly integrate with any décor.

With the FRIGOBOAT MS80 Mobile Fridge with Icebox 60lt, you get a cutting-edge product that meets all marine refrigeration needs, maintaining high standards of efficiency and design.

Product features:

Phase: Single phase

Frequency (Hz): 50

Input power (W): 12V / 24V / 230VDC

Length (mm): 470

Width (mm): 435

Height (mm): 600

Dry weight (Kg): 32

Product type: Refrigerator

Capacity of the refrigerator (L): 60

Insulation (mm): 50

Ice box: Yes
