Product description:

FRIGOBOAT MS130 MOBILE FRIDGE WITH ICEBOX 117LT

The FRIGOBOAT MS130 mobile fridge with Icebox 117lt is designed to offer high performance, energy efficiency, and durability in the toughest conditions aboard vessels. With a capacity of 117 liters, this FRIGOBOAT MS130 fridge is the ideal choice for keeping food and beverages fresh during navigation, optimizing the available space.

Main features of the FRIGOBOAT MS130 mobile fridge with Icebox 117lt:

Total capacity: 117 liters, perfect for storing a wide variety of food and beverages.

Net weight: 41 kg, a robust and durable structure, ideal for marine use.

Power supply: 12V / 24V / 230V, to ensure flexibility and adaptability to different onboard configurations.

Dimensions: Width of 530 mm, height of 745 mm, and depth of 530 mm, ideal for limited spaces but with ample storage volume.

Insulation: 50 mm of expanded polyurethane, providing superior thermal insulation to minimize energy consumption while maintaining a stable internal temperature.

Shelves: 3 height-adjustable shelves, allowing for better organization of the internal space.

Bottle and can holders: 1 bottle rack and 1 can rack, for greater practicality and organization.

Material: Made of high-quality stainless steel, resistant to corrosion and the typical stresses of

marine environments.

Energy efficiency and advanced insulation: The FRIGOBOAT MS130 mobile fridge with Icebox 117lt is designed with a 50 mm expanded polyurethane insulation layer, allowing it to maintain a constant internal temperature and minimize energy consumption, essential for refrigeration in marine environments. The door is equipped with a magnetic seal and double glazing, further enhancing energy efficiency and protection against condensation.

Easy and flexible installation: Easy installation is one of the key features of the FRIGOBOAT MS130. The fridge is compatible with Frigomatic refrigeration units, both for air and water cooling, and installation is made even simpler with the Frigoboat quick-connect system. This allows for easy adaptation of the system to the specific needs of your vessel.

Durability and long-lasting performance: Built with high-quality materials and designed to withstand the harshest marine environments, the FRIGOBOAT MS130 117lt is extremely durable and corrosion-resistant. Its robustness ensures safe and reliable use for many years, even under difficult navigation conditions.

The FRIGOBOAT MS130 mobile fridge with Icebox 117lt is the ideal solution for anyone looking for a reliable, durable, and efficient marine fridge. With its sleek design, superior performance, and ease of installation, this fridge is perfect for any type of vessel. Whether for a short trip or long navigation, the FRIGOBOAT MS130 mobile fridge with Icebox 117lt will ensure that food and beverages onboard remain fresh and well-preserved.

Product features:

Phase: Single phase

Frequency (Hz): 50

Input power (W): 12V / 24V / 230VDC

Length (mm): 530

Width (mm): 530

Height (mm): 745

Dry weight (Kg): 41

Product type: Refrigerator

Capacity of the refrigerator (L): 117
