Product description:

FRIGOBOAT MS160 MOBILE FRIDGE WITH ICEBOX 146LT

The FRIGOBOAT MS160 Mobile Fridge with Icebox 146lt is designed to ensure high performance, energy efficiency, and durability even in the toughest conditions on board boats. With its 146-liter capacity, it is an ideal solution for keeping food and drinks fresh during navigation while optimizing the available space.

Main Features of FRIGOBOAT MS160 Mobile Fridge with Icebox 146lt:

Total capacity: 146 liters, perfect for storing a wide variety of food and beverages.

Net weight: 43 kg, a solid and reliable structure, ideal for marine use.

Power supply: 12V / 24V / 230V, offering maximum versatility and adaptability on board.

Dimensions: Width of 545 mm, height of 840 mm, and depth of 550 mm, ensuring an excellent balance between occupied space and storage capacity.

Insulation: 50 mm polyurethane foam, ensuring excellent thermal efficiency and reduced energy consumption.

Shelves: 3 adjustable-height shelves for flexible internal space management.

Bottle and can holders: 1 dedicated support for bottles and 1 for cans, for better organization.
Separate Icebox, designed to maintain a constant temperature and ensure optimal preservation of temperature-sensitive products.

Material: Made of high-quality stainless steel, resistant to corrosion and the most demanding marine conditions.

Energy efficiency and advanced insulation: The FRIGOBOAT MS160 Mobile Fridge with Icebox 146lt is designed with 50 mm polyurethane foam insulation, ensuring a stable internal temperature while minimizing consumption. The door features a magnetic seal and double glazing, further improving insulation and reducing condensation formation.

Easy and adaptable installation: One of the distinctive features of the FRIGOBOAT MS160 Mobile Fridge with Icebox 146lt is its ease of installation. Compatible with Frigomatic cooling units, both air-cooled and water-cooled, installation is further simplified by the Frigoboat quick-connect system, allowing perfect integration with the specific needs of any boat.

Robustness and long-lasting durability: Built with top-quality materials, the FRIGOBOAT MS160 Mobile Fridge with Icebox 146lt is designed to withstand the harshest marine conditions. Its sturdy structure and corrosion resistance ensure safe and long-term use, even in particularly demanding environments.

The FRIGOBOAT MS160 Mobile Fridge with Icebox 146lt is the perfect solution for those in need of a reliable, durable, and efficient marine refrigerator. Its refined design, high performance, and easy installation make it ideal for any type of boat. Whether for short trips or long sea voyages, this refrigerator ensures the perfect preservation of food and beverages on board.
