FRIGOBOAT MS115IN FRIGO MOBILE 107LT

The Frigo Boat MS115IN Frigo mobile 107lt is the ideal solution for those looking for a high-quality refrigerator specifically designed for boats.

Part of the Frigo Boat MS series, the Frigo Boat MS115IN combines extensive experience in marine refrigeration with cutting-edge design and the quality that has always distinguished the Frigo Boat brand.

The Frigo Boat MS115IN Frigo mobile 107lt is built to deliver excellent performance, whether it's for long trips at sea or daily use on small vessels.

Made entirely of AISI 304 stainless steel, polished or satin, the Frigo Boat MS115IN Frigo mobile 107lt is corrosion-resistant and ensures long-lasting durability, even in harsh marine environments. The interior, also made of stainless steel, is equipped with height-adjustable shelves, a bottle holder, and a can holder, all designed to maximize space and efficiently organize your food on board. With an elegant and functional design, this refrigerator integrates perfectly into any marine environment.

The advanced insulation features of the Frigo Boat MS115IN are one of its strong points. Thanks to the polyurethane foam insulation, this refrigerator ensures excellent performance with reduced energy consumption. The 50 mm insulation for refrigerators and 80 mm for freezers, combined with the anticondensation magnetic door seal, ensures a constant temperature even in the harshest conditions.

The Frigo Boat MS115IN Frigo mobile 107lt is equipped with a door that opens up to 180°, making access easier even in tight spaces. Furthermore, the cooling system is optimized by the possibility of pairing the refrigerator with a remote refrigeration unit, which improves efficiency,

reduces noise, and optimizes space.

This refrigerator is compatible with Frigomatic refrigeration units, both air-cooled and water-cooled, to ensure maximum energy efficiency. With its 107-liter capacity, the Frigoboat MS115IN is perfect for boats of all types, from yachts to sailboats, and is the ideal choice for those looking for a refrigerator that combines functionality, efficiency, and design.
