FRIGOBOAT MS130IN PORTABLE FRIDGE 117LT

The Frigoboat MS130IN Portable Fridge 117lt is the ideal solution for those looking for a high-quality refrigerator specifically designed for boats. As part of the renowned Frigoboat MS series, this model combines innovation and reliability, ensuring excellent performance even in the most demanding marine conditions.

Constructed entirely of AISI 304 stainless steel, the Frigoboat MS130IN is corrosion-resistant and ensures long-lasting durability. The interior, also made of stainless steel, includes three height-adjustable shelves, a bottle holder, and a can holder, allowing for optimal space organization. Its elegant and functional design perfectly fits any nautical environment.

One of the key features of the Frigoboat MS130IN Portable Fridge 117lt is its excellent polyurethane foam insulation, which minimizes energy consumption while maintaining a constant internal temperature. The insulation is 50 mm for the refrigerator version and 80 mm for the freezer, ensuring maximum efficiency and reduced energy waste.

The Frigoboat MS130IN Portable Fridge 117lt offers unique versatility thanks to its compatibility with Frigomatic cooling units, available with both air and water cooling options. Additionally, the door opens up to 180°, facilitating access even in tight spaces.
