

DOMETIC DPS-R135 Mains Adapter 135W

Product price:

89,34 € tax excluded

Product description:

DOMETIC DPS-R135 POWER ADAPTER 135W

Complete package for immediate installation

1x Power adapter

1x DC magnetic cable

1x AC plug

1x Mounting bracket

2x Screws

1x User manual

Universal and secure connection

The DOMETIC DPS-R135 Power Adapter 135W allows you to connect Dometic 12/24 V DC portable fridges to 100-240 V AC power outlets, ensuring stable and efficient operation with optimized energy consumption (88% efficiency).

Compact, discreet, and easy to install

With compact dimensions of 110 x 100 x 32 mm and a weight of only 0.50 kg, this adapter integrates perfectly into any environment, remaining discreet and hidden from view. It is designed to fit all Dometic 12/24 V DC fridges up to 135 W, ensuring maximum compatibility.

Maximum efficiency for your portable fridge

Thanks to its advanced technology, the DOMETIC DPS-R135 Power Adapter 135W provides continuous and safe power, ideal for those who travel or use portable fridges in campers, boats, or special vehicles.

Reliability, compatibility, and practicality in one device: the DOMETIC DPS-R135 Power Adapter 135W is the perfect choice for anyone looking for a safe and efficient solution to power their portable fridge.
