

# DOMETIC TEC 30EV Diesel Single Phase Generator 2900 Watts 230 V AC Inverter

**Product price:**

**5.727,00 € tax excluded**

## **Product description:**

DOMETIC TEC30EV SINGLE-PHASE DIESEL GENERATOR 2900 WATTS 230 V AC INVERTER

DOMETIC TEC30EV is a single-phase diesel generator capable of delivering a power of 2900 Watts, a pposite designed for use in large motorhomes and commercial vehicles.

The DOMETIC TEC30EV generator offers powerful performance with minimal fuel consumption [0.7 liters diesel/h].

The generator is housed in a soundproof enclosure that allows the DOMETIC TEC30EV to operate very quietly.

The innovative inverter technology of the DOMETIC TEC 30EV generator prevents overvoltage/undervoltage of connected electrical equipment. 2.5 kW continuous power or 5 kW when operating two units in parallel thanks to innovative inverter technology.

The DOMETIC TEC 30EV's innovative inverter technology prevents overvoltage/undervoltage of the connected electrical equipment.

Quality features DOMETIC TEC30EV

- Remote control
- 12 V voltage for battery charging
- Automatic switch-off in case of low oil level
- Electric ignition WITH TEC30EV
- Overload and short-circuit protection
- Soundproof housing

- High continuous power
- Suitable as a power source for all Dometic air conditioners
- Very low power consumption
- Possibility of parallel operation of two TEC30EVs (for continuous power of approx. 4.8 KW)
- Remote control for the visualization of all the parameters of operation

#### TECHNICAL FEATURES DOMETIC TEC30EV

Fuel: Diesel

Phase type: Single-phase

Maximum single-phase power (KW): 2.9

Continuous single-phase power (kW): 2.5

Voltage (V): 230

Frequency (Hz): 50

Motor: Hatz 1B20V

Inverter

Consumption (Kg/h): 0.7

Length (mm): 465

Width (mm): 466

Height (mm): 465

Dry weight (Kg): 70

Are you looking for a generator for vehicles with different technical characteristics? Here you can find the area dedicated to generators for vehicles DOMETIC or other specialized brands.

Images and technical data are not binding and may be subject to revisions by the manufacturer.

#### **Product features:**

Phase: Single phase

Maximum power single phase (KW): 2.9

Continuous power single phase (KW): 2.5

Fuel: Diesel

Frequency (Hz): 50

Voltage (V): 230

Engine: Hatz Hatz 1B20V

Starting system: Manual / Electric

Net power (kW): 3.3

Consumption (L/h): 0.7

Acoustic power: 84 dB(A)

Acoustic pressure: 60 dB(A) at 7 m

Length (mm): 465

Width (mm): 466

Height (mm): 465

Dry weight (Kg): 70

Silenced: Yes

Super silenced: Yes

Brushes: No

Voltage regulator: Inverter
