

HONDA 536 HRD CTX

Petrol Self-Propelled Lawnmower 2.7 kW

Product description:

HONDA HRD 536 CTX lawnmower

HONDA HRD 536 CTX single speed lawnmower with 53 cm width equipped with Roto-stop™. The HONDA HRD 536 CTX lawnmower with its powerful "Pro" motors and 53 cm wide heavy-duty aluminum cutting plates is durable, reliable and suitable for professional use. The HONDA HRD 536 CTX lawnmower can handle any situation. Demanding mowing operations on large lawns are easy and smooth thanks to this extremely robust mower that has the look and reliability of a true professional.

The Roto-Stop® function on the HONDA HRD 536 CTX mower allows you to stop the blade without turning off the engine, which is ideal if you have to drive along a driveway or a gravel section. With other standard features such as the high airflow bag and double arm reinforcement (with handle attached to the cutting deck), it is not surprising that their name is HRD Professional.

Durable cutting plates

The cast aluminum cutting plates mounted on the HONDA HRD 536 CTX lawnmower offer an excellent power-to-weight ratio and excellent corrosion resistance.

Roto-stop® blade stop system

The Roto-stop® system allows you to stop the blades quickly and safely without turning off the motor. This feature of the HONDA HRD 536 CTX lawnmower is ideal if you want to empty the grass catcher bag, remove debris or cross paths and driveways.

Cast iron drive shaft

The long life of the HRD and HRH is guaranteed by the durable cast iron cylinder barrel and crankshaft.

Perfect for demanding work

Protected by a durable cast iron cutting deck and reinforced cutting deck handle, the HRD and HRH are designed to adapt to the most demanding jobs.
